FOR IMMEDIATE RELEASE:

FENRICH AWARDED SCHOLARSHIP

CHARLESTON -- Renee Fenrich, daughter of Robert and Darlene Fenrich of McHenry, has been awarded the McNabb-Dow Graduate Scholarship at Eastern Illinois University.

The award, established in 1987 for the purpose of honoring Bennie and Nellie McNabb, is presented to an outstanding student of the master's degree program of the school of family and consumer sciences.

Fenrich is a 1993 graduate of Grant Community High School in Fox Lake.

Eastern emphasizes distinguished teaching in the liberal arts, sciences and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 students in undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-credit and off-site degree programs, as well as cultural and recreational opportunities.

Eastern's pursuit of excellence attracts well-qualified students of an increasingly diverse population and a teaching faculty active in research and public service who utilize the latest technology.
